

## HFTP GREATER PHILADELPHIA CHAPTER

For the fifth year in a row, we're proud to partner with the HEADstrong Foundation. HEADstrong, based in Philadelphia, provides vital financial and emotional support to families undergoing specialized cancer care.

This year, we will be providing assistance to the Hoffman family, who reside in the Philadelphia area. Forest is just 5 years old and is battling Burkitt's Lymphoma. Diagnosed in August he has spent the last two months in CHOP. His mom left her job to care for him. This will be a tremendous lift for them and with your generous support, we can make the holidays brighter for Forest, his sister Shoal, and his family to alleviate some of their worries amidst all the other challenges they are facing.

On the next page, you'll find a list of items that correspond to each child's interests and requests.

Here's where your involvement becomes crucial. If you have already purchased or plan to purchase one of the items listed below, please contact Joel Crouse. This will help us ensure that there are no duplicate gifts and make the process smoother. Once an item has been acquired, we will notify our chapter through email and update the list on our website. Kindly wrap and put the child's name the gift is for. Please leave "From" blank as parents may want to put Santa or something else of their liking.

We sincerely appreciate your support in advance, and if you have any questions, please don't hesitate to reach out. Thank you!
